Dear Friends of Placer ARC,

It looks to be a very green spring here at Placer ARC as we move forward into 2011, with exciting new opportunities blooming throughout our programs. Our consumers will be trying out their green thumbs in the brand new greenhouse at the Roseville Adult Center, artists at Studio 700 painting pots for plants, and our garden and composting at the Adult Achievement Center will be seeing major growth as the seasons change. Also, our brand new kitchen at Roseville Adult Center has been cranking out tons of goodies since we fired up the ovens in the fall, and the accompanying multi-purpose room is now the best seat in the house.

We are very excited about Roseville Adult Center's upcoming fundraiser, "La Fiesta Taqueria" on **February 25 from 5:30 p.m. to 8 p.m., at 531 Vernon St. in Roseville**. This fiesta will feature \$1 tacos *and* a margarita bar! All are welcome to attend and support the center with a night of food, drink and fun. Viva!

By now, it is no mystery that the state faces more challenges to its budget, but these trying times instill in us a greater sense of resiliency. At the very top of our priority list for 2011 is to find funding for On the Go! Demand and excitement for this program have remained high, even in the wake of loss of funding in 2009, but we are determined to find ways to keep OTG running and available at little or no cost to all in the Placer ARC network.

Now more than ever, we are immensely appreciative of the generous support from our donors, and we have easy ways that you can continue to donate to Placer ARC, or give to us for the first time:

- **Go to www.placerarc.org and donate one-time or make a recurring donation using the bill pay function**
- **Send a one-time donation or become a member**

As we move forward in 2011, we are looking to *you*, as families, members and friends of Placer ARC, to help us reach out to possible donors in your own individual networks. If you have a current or previous employer, family friend, or any sort of contact you feel may want to support Placer ARC, we have enclosed a one page info sheet about the agency and our programs, for you to distribute at your discretion. Or, if you would like to refer a possible donor or source of grant funding to us, feel free to contact Community Outreach Coordinator/Grant Writer Aaron Davis at (916) 781-3016 or aarond@placerarc.org.

As always, we sincerely thank all of you for your continued support of Placer ARC and our programs; you can indeed help us prosper in 2011.

Sincerely,

Barbara M. Guenther, Executive Director

Prospering in 2011 - Only with your valued support!
